DPR will host two reduced rate information fairs during the month of January. The purpose of the fairs is to assist District residents with completing their reduced rate application. DPR offers a reduced rate for qualified, District residents to ensure that summer camps are available to everyone, regardless of one's financial status or level of income. The DPR Summer Camp Reduced Rate program allows children of qualifying families to attend DPR Summer Camps with a discount of either 50% or 75% (depending on income and family size) per child, per camp session.

These January sessions are specifically for applicants to submit their applications for reduced rate, however applicants can also come to the summer camp office to apply for reduced rate starting on Tuesday, January 20, 2015. This fair will not cover summer camp registration. Please note that summer camp registration will open on Monday, February 23, 2015.
