Sherwood/School-Within-School Playground Project
Project update – March 21, 2014

Brief description of project: The Sherwood/School-Within-School Playground Project will bring a new playground to Sherwood Recreation Center and a new parking lot to School-Within-School at Goding Elementary.

Project Budget:

- A. The project budget is \$2 Million.

Community Engagement:

- A. Community meeting held on November 5, 2013.
- B. Community meeting held on December 3, 2013.
- C. Community meeting held on December 17, 2013.
- D. Once construction commences, bi-weekly project updates will be posted to the project website and emailed to residents that previously signed in at community meetings as well as the school. See link below for project page:
<http://dpr.dc.gov/page/play-dc-sherwood-playground-construction>

Project Updates:

- A. DGS & DPPR project team is currently reviewing proposals for a General Contractor.
- B. Construction start date: Mid-late Spring 2014.
- C. Construction completion date: August 2014 prior to school opening. Due to the manufacturing time required for the custom equipment on the site, the equipment will not be available for installation prior to that time.
- D. The concept design for the playground has changed slightly to include a collaborative swing. One of the two playhouses was removed to accommodate this change. See link below to review revised concept plans:
