Nutritional Services

The Office of Food and Nutrition Services operates a number of free meal programs at DPR centers across the District. These programs provide free, nutritious meals to children 18 and younger throughout the summer months when they are out of school. These meals are essential to the physical and mental development of children living in low-income areas (i.e. areas in which 50 percent or more children receive free and reduce priced meals during the school year).

Roving Leaders

Since 1956, the mission of the Roving Leaders program is to provide youth with opportunities to develop valuable life skills, learn morals and values, as well as positive social skills, by engaging in cultural experiences and community service projects. Roving leaders are trained outreach workers with a specialized knowledge of youth anti-bullying and gang prevention techniques. They provide mentoring, leadership development and prevent, neutralize and control challenged behaviors in youth and youth groups throughout the District. Community engagement, outreach, recreation and leisure time activities are a few of the intervention vehicles used by DPR's Roving Leaders to redirect anti-social, aggressive or destructive behaviors that may contribute to youth violence.

For more information call (202) 698.2250.

Registration, Permits and Reservations

Registration Made Easy!

DPR offers two ways to register for our programs, classes, and events - either online at www.DPR.DC.GOV or in-person at any of the registration sites listed in this guide. (See pages 6 and 7.)

To register, you will need the name of the program or class, and the time desired. If there are multiple options for one class, please make sure that you know the specific date and time of the event you are registering for. Please note that each time does have a unique registration number.

Note: Programs, classes, services, and facility features are subject to change.

Register Online

Go to www.DPR.DC.GOV. After clicking on the "Programs and Services" tab, go to the "Register for Programs" section. Click the "Login" link. First time users will need to create an account. If registering for multiple persons, click "Add Another Registrant". Once signed in, you can search by location, category, or keyword. When the desired program, class, or service is found - click "Register Now" to sign up. Please note: Payments online must be made by credit card (MasterCard, Visa or Discover Card).

Register In-Person

Feel free to visit any of the DPR centers listed as registration sites on pages 6 and 7, the symbol  indicates the sites where staff will be ready to assist you with your registration needs.

Making Payments

Payment can be made by check, credit card (MasterCard, Visa, Discover Card), or money order. Checks and money orders are to be made payable to "DC Treasurer". Please include the registrant's name, address, and phone number on all checks and money orders.

Please note: There is a \$65 fee for all returned checks.

Refunds

Refund requests submitted before the program start date will be honored. For all requests, a 10% administration fee will be subtracted. No refunds will be given after the start of an activity. Please note: Some activities do have a "No Refund" policy. Please refer to the written activity description to determine if this policy is in effect for your particular activity. The registrant is entitled to a full refund in the event that the Department of Parks and Recreation cancels a program.

DPR reserves the right to cancel programs with low enrollment. Refunds will be made available ONLY in the event a program must be cancelled due to low enrollment. All DPR programs must have a minimum number of patrons registered.

Permits and Reservations

The DPR Permit Office manages and issues permits for all DPR facilities and sites, community gardens. A permit is required for the use of any DPR facility or site, if the following apply: there are more than 10 people for an hour or more; organized leagues; for special events; or for the reservation of a multipurpose room. Apply online at app.dpr.dc.gov/permits/index.asp

For more information visit the "Permits and Reservations" section at www.DPR.DC.GOV or call the DPR Permit Office at (202) 671-2597.

Please remember a few tips:

Rental fees. DPR charges modest fees for reservations depending on the facility and the number of hours of use. All fees must be paid, in full, in advance.

Plan ahead. You may submit an application for a permit up to three months in advance - for most rental requests. Planning ahead gives you a better chance of securing the facility/park of your choice.

Provide details. The more information you provide on your permit application about your event, the better our staff will be able to serve and support your requests. All fees must be paid in order to secure a permit.

Allow enough time for setup and cleanup. When you secure a permit for an event, it is required that you set up and clean up before and after the event. Know the emergency (Park Rangers) contact number: (202) 441-2605 or 449-0148. We want to provide you with the best customer service possible, therefore, if staff is 15 minutes or more late in arriving, or if you have an emergency, please call the emergency contact number between the hours of 9 am and 12 midnight.

DPR Partnership & Development Division

The DC Department of Parks and Recreation (DPR) is present and active in neighborhoods and communities across the District and is proud to draw a large amount of community involvement and support through partnerships, volunteers, and donations. The hard work and support provided by community volunteers and organizations is welcomed by all of us at DPR and allows DPR to extend the impact of many of the programs and services.

DPR Partnerships

DPR welcomes partnerships from community and non-profit organizations, and others interested in partnering with DPR. DPR offers the following partnership opportunities:

Programmatic Partners – DPR partners with non-profit organizations to offer innovative programming at DPR recreation centers at no cost to participant.

Park Partners – DPR offers two Park Partner programs, “Adopt-a-Park Program” and the “Friends of Program” for the support, improvement, beautification, advocacy, fund raising and maintenance of DPR facilities.

Donations

DPR engages with organizations, groups, individuals, and others who seek to donate in-kind services or make financial contributions to support park projects, recreational programs and events.

Volunteer Programs

DPR Volunteers serve in many capacities by contributing time, energy and/or talent that helps to fulfill the mission of DPR. Volunteers generate enthusiasm and interest while fulfilling many roles within the agency. DPR volunteers bring energy and offer lots of time to DPR facilities and parks. There are two types of DPR volunteer programs: Individual Volunteer Program - Individuals become involved in DPR parks and recreation centers by offering program support. Individual volunteers bring expertise, talent, skills, knowledge, and time.

Community Service Program – Organizations, groups and individuals interested in completing community service projects such as park clean-ups, spruce-ups or local school projects augment DPR programs and services.

Roving Leaders Program

The mission of the Roving Leaders Program is to prevent, neutralize and control hostile behavior in youth and youth groups through the development of positive relationships and experiences between the youth and the Roving Leaders.

The Roving Leaders Outreach Staff utilizes recreation and leisure time activities as the intervening vehicle for re-directing anti-social and aggressive behavior.

Roving Leaders (commonly referred to as Outreach Workers) have been serving the District's residents since 1950.

Our Goals

- To prevent, reduce, neutralize and control the negative behaviors of “at risk” youth, as well as the District’s delinquency rate.
- To provide “at risk,” as well as disadvantaged, youth, teens and young adults with quality outreach, support systems and referrals.
- To assist youth with developing leadership and cognitive development skills through the use of the Roving Leaders youth development model.

Successful Methods

The success of the Roving Leaders Program is measured through a series of qualitative and quantitative methods, including programs and staff performance and efficacy; youth participation; and quality use of the services offered.

Budget

The program is fully funded by the DC Department of Parks and Recreation’s operating budget, as mandated by the DC City Council. The Roving Leaders program budget covers staffing cost, materials, transportation and operating expenses. There is no cost to youth for participating in the program.

Relationships

The Roving Leaders program has built relationships of trust with youth, teens, young adults, District officials, the Metropolitan Police Department (MPD), community organizations and leaders, and public and private sector entities. The Outreach Staff interacts one-on-one with the targeted youth, and together a “plan of action” is developed by matching the youth’s individual needs with the Roving Leader program’s priorities.

Through the years, the outreach staff has counseled and mentored countless youth through some of their most challenging, as well as critical, life experiences. Experience has indicated that one-on-one relationships of trust must be established between the outreach staff and the youth. These relationships have proven to be effective means of preventing juvenile delinquency and to help prepare them for adulthood.

Fitness Centers

DC Department of Parks and Recreation (DPR) Fitness Centers are maintained by DPR's Athletic Programs Administration (APA) at DPR centers across the District. DPR Fitness Centers offer a wide variety of wellness and fitness activities, with equipment to maintain or improve your physical fitness. Fitness Centers feature a variety of equipment including elliptical cross-trainers, stationary cycles, treadmills, rowing machines, free weights, weight machine, upright bikes, recumbent bikes and stair climbers. Previously, the fitness centers required a paid membership for access, but for 2016, those resident fees will be waived. Non-DC Resident membership are available for access to all DPR facilities with fitness rooms.

Community Gardens

The Department of Parks and Recreation (DPR) works with DC communities to establish urban agriculture projects across the District. DPR currently has 31 community gardens and 5 partner urban farms under its jurisdiction. Community Gardens are gardens managed by volunteers and primarily full of individual personal plots for community members or community organizations. Partner Urban Farms are production farms managed by non profits dedicated to improving food security in DC communities.

If you are interested in obtaining a plot at a DPR community garden please contact the garden organizer listed below or the DPR Community Garden Division at (202) 262-2138.

Community Gardens are listed by Ward, and then alphabetically. The number of plots indicated are the total number of plots at the garden.

Urban Garden Workshop Series

Annually, DPR offers over 100 free workshops focused on practical urban gardening skills during various time frames throughout the year. Many of our workshops are instructed/led by some of the most progressive and significant members and leaders of the District's urban garden community.

Currently, 4 workshop series' are being offered:

- ◆ Spring Urban Garden Certificate Course - March–April
- ◆ Garden Carpentry Course - April-May
- ◆ Summer Urban Garden Series - May-September
- ◆ Fall Urban Master Composter Course - Oct. - Nov.

Community Compost Cooperative Network

In 2014, the Urban Garden Division launched the Community Compost Cooperative Network, in an effort to build 50 "critter proof" compost bins at DPR gardens and partner gardens across all 8 wards. The division successfully began to organize and train compost cooperatives to operate each bin for the purpose of mixing food scraps with garden waste to efficiently and responsibly create high quality compost. For people interested in dropping food scraps off at a cooperative site each person must take a 1-hour training and commit to one hour a month to help process compost.

Garden Tool Share Program

In 2015, the Urban Garden Division launched a garden tool share program for District gardeners to "check out" garden tools for use in community, school and home gardens. Residents must complete a permit application process that allows them to "check out" a wide variety of garden tools such as roto tillers, power tools, broad forks, even an apple press and more. District residents are allowed to use the items for up to a week.

Greenhouse Cooperative

DPR built and renovated 4 greenhouses in 2015-16 for the purpose of starting a greenhouse cooperative where urban Ag non profits and volunteers can have greenhouse space to grow seedlings in exchange for growing extra seedlings for DPR gardeners in need and youth garden programs. Participants in the greenhouse cooperative will also help teach free greenhouse programs to the public.

For more information about obtaining a plot, volunteering at a DPR community Garden or partner urban farm, participating in an urban garden programs, please contact the DPR Urban Garden Specialist at joshua.singer@dc.gov or (202) 262-2138.

Partner Urban Farms

DPR currently has several partner urban farms. A partner urban farm is an urban agriculture site that is located on DPR property but is managed and programed by a DPR partner. These partners are all 501c3 organizations that focus on offering gardening and nutrition programs while increasing access to healthy and affordable food to DC communities. Check out each partner's website for more details about their programs and volunteering.

DPR Tennis Courts

DPR operates over 130 tennis courts throughout the District of Columbia, with multiple outdoor courts available in every Ward. DPR's premier tennis facility is the Southeast Tennis and Learning Center (SETLC), located at 701 Mississippi Avenue, SE (Ward 8). The SETLC is the only DPR tennis facility with indoor, tournament style courts.

To permit and/or reserve a court, please call (202) 671-2597. For more information on DPR's Tennis Division or Programs, please call (202) 671-0314. While a permit is not required to "Free Play" on any DPR Tennis Courts, DPR programs, classes, partner classes, permit holders and reservation holders are considered "first priority" on our courts. All "Free Play" tennis patrons are required to vacate the court if any of the aforementioned have reserved the court prior. We strongly encourage reserving a court for tennis play.
